

ACTION MINDED TEACHERS

Action minded teachers believe...

- Patience coupled with a sense of urgency creates forward motion
- Progress, not perfection is the goal
- Thinking big yet planning small creates progress

Action minded teachers think/say...

- *If it is to be, it's up to me!*
- *Even though a strategy is not my 'style', I will use it if it best supports students!*
- *Student socio-economic status, personal issues and culture won't stand in the way of success!*
