

Plan Sheet: Introducing Students to a Routine

Name of the routine:

Steps: Exactly what do you want students to do in this routine?

Payoffs to students: How will doing this routine well meet students' needs?

Trouble spots: What part(s) of the routine are most likely to go wrong?

What-if's: What circumstances might present additional challenges to success?

Reflection: What question(s) will you ask students to reflect on regarding the use of this strategy?

Follow-up: When and how will you check in, remodel, and/or practice this routine?
