

WORKSHOP REFLECTION JOURNAL DDES

Name _____

Concerns

What concerns about equity do you have in your classroom/school?

Do all my students have an equitable opportunity to learn and grow in my classroom?

ACTION ITEMS

Three practices/strategies/ideas I will use to advance my teaching practice and address equity:

1.

2.

3.

Potential barriers:

Resources and assets to overcome barriers:

Reflection after day 3... From today's learning, choose 1 question to respond to:

- A. How will empowering language support student voice?
- B. How do I ensure that disproportionality in handling student discipline doesn't exist in my classroom?

Personalized Learning Target

I can create a personalized learning target in order to create a more equitable experience for all students.

Write your personal learning target here:

Describe any workshop adjustments that might assist your learning:

Reflection after day 1...

Name three concepts from today that square with your beliefs and describe how all students would benefit?

Describe any workshop adjustments that might assist your learning:

Reflection after day 2...

Where might bias thinking be present? How might you evolve beyond bias in your classroom/school?

Describe any workshop adjustments that might assist your learning:
